CTE Success Stories

## 2020–2021 Courses by Program Area

Verso, our curriculum management system, is currently down. While we work to restore it, you can access PDFs of all Virginia CTE courses below.

**For all CTE courses taught in grades 9–12**, instructors are required to add [these 38 competencies](#), which include Workplace Readiness Skills for the Commonwealth, Examining All Aspects of an Industry, Addressing Elements of Student Life, and Exploring Work-Based Learning.

**For all CTE courses taught in grades 6–8**, instructors are required to add [these 30 competencies](#), which include Workplace Readiness Skills for the Commonwealth, Addressing Elements of Student Life, and Exploring Work-Based Learning.

- Agricultural Education
- Business and Information Technology
- Career Connections
- Family and Consumer Sciences
- Health and Medical Sciences
- Marketing
- Military Science
- Technology and Engineering Education
- Trade and Industrial Education

### Additional Resources

- Course Sequences Spreadsheet
- Workplace Readiness Skills for the Commonwealth Instructional Resources

# 2020 Work-Based Learning Guide, Effective July 1, 2020

- Effective July 1, 2020, students are offered more credit options toward graduation when completing:
  - Mentorship - 140 hours earns one half of a credit
  - Youth Registered Apprenticeship (YRA) – 280 hours earns one credit

## Virginia Updates Phased Reopening Plan for Schools (July 6, 2020)

On [June 9, 2020](#), Governor Ralph Northam announced a phased reopening of K-12 schools, which gradually permits in-person instruction to resume while prioritizing the health and safety of students and staff. In order to minimize the disparate impacts closures have had on students, this approach prioritizes the needs of students who have been most impacted by school building closures, and for whom in-person instruction is most beneficial. It simultaneously recognizes the disruption closures have had on all students and seeks to bring them back to the classroom as soon as is safe and practicable.

The [Phase Guidance for Virginia Schools](#) (PDF) was updated on July 6, 2020 as Virginia entered Phase 3 of Forward Virginia. The update includes a letter from Dr. Norman Oliver, State Health Commissioner, and Dr. James Lane, Superintendent of Public Instruction. Refer to [School Reopening FAQ](#) for related guidance from the Virginia Department of Education.

### Mary Peake Award for Excellence in Education Equity

# Creating Excellence Awards Program

## ***Applications:***

- Exemplary Secondary Program Award
- Secondary Advisory Committee Award
- Secondary Business and Industry Partnership Award
  - Divisions submit award recipients' applications to VDOE by March 12, 2021.
  - Judging Panel to be held April 8, 2021.
  - VDOE notifies regional award recipients May 3, 2021.
  - Awards Luncheon – June 10, 2021

# U. S. Presidential Scholars

- Established in 1964, U. S. Presidential Scholars recognizes and honors some of our nation's most distinguished graduating high school seniors. In 2015, the program was extended to recognize students who demonstrate ability and accomplishment in Career and Technical Education fields. Each year, up to 161 students are named as Presidential Scholars, one of the highest honors for high school students.
- Virginia has recognized CTE Semifinalists each year since 2015. This year, Virginia's second CTE U. S. Presidential Scholar was chosen. The 2020 U.S. Presidential Scholars from Virginia, including one CTE Scholar, include:

**Colter Adams, George Mason High School, Falls Church City Public Schools**  
**Sophia Eileen Tedesco, George C Marshall High School. Fairfax County Public Schools**  
**\*\*William B Calli, Woodbridge - Woodbridge Senior High School, Prince William County Public Schools**

Information about the nomination process for the 2021 U. S. Presidential Scholars will be sent through a Superintendent's Memo and a CTE Director's Memo as soon as it is received from the U S Department of Education.
